

Educational Philosophy

With the belief that God has created all our students in His image and are “fearfully and wonderfully made,” we, at Arise Christian Academy, strive to serve each child with individualized and tailored instruction where their unique needs are met and celebrated.

Arise Christian Academy believes in providing Christian education through scientifically sound methods, instruction and curriculum facilitated by highly qualified and trained teachers and staff.

We believe that God created our children with the innate ability to be curious, explore, question, move, manipulate, discover and connect through hands-on, multi-sensory and kinesthetic approaches to learning, all while maintaining high standards of instruction and academic learning.

Arise strives to create a God-centered environment where children experience love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control (Galatians 5:22-23) from teachers, staff and peers. In turn, our hope is that each child feels safe, nurtured, successful and emboldened to be what God has called them to be.
