

Core Values

To Serve

our students in an educational environment where they are nurtured, celebrated, guided, and instructed by spirit filled teachers, staff, and administration.

To Provide

a Christian-centered curriculum that excels in all subject areas and instills a Biblical worldview.

To Equip

students with Christ-centered instruction so they may excel in their spiritual, academic, emotional, physical and social development. In turn, they will lead with integrity, serve compassionately, and transform their families, churches, and communities with the heart and mind of Christ.

To Support

parents and families in their primary role and responsibility of training and instructing their child in the ways of the Lord.

To Work

with our local community to build up a strong commitment to Christ-centered education, who are unified in prayer, and passionate about promoting the mission and vision of Arise Christian Academy.
